

Online Tutoring Instructions for TableTop viewing

Applicability

For viewing each others tabletop to see live written problem solving and/or notes or book pages
Using Tablet or smart phone

Preparation: Before the Session (15 minutes or more prior)

Install free Zoom video conferencing App on your tablet (or phone) (if you don't have the App yet)
In App store or Play Store search for ZOOM  then get it (it's free)
Contact me (303-506-2089 cell/text)  if need help

Startup Session: Just before the Session (5 minutes or so)

Setup your tablet (or phone) on top of a stack of books (see diagram below)
I'll text or call you with the 9 digit Meeting ID about 5 minutes before session start

Launch Zoom video conferencing App (tap )

Tap "Join" ( or ) and Enter the 9 digit Meeting ID and tap Join bar

Tap  to flip your camera orientation from front-facing to rear-facing

Then we will be able to see each other's tabletop

Make sure the audio and video icons are toggled to an enabled/on state

Set Audio for using "Device Audio" or "Internet Audio" rather than dial in

And we will be able to speak to and hear each other

We're ready to start the session!

During the Session

Keep your writing and/or book visible to me (you can see what I see in a small window)
